

Hollywood Chamber of Commerce 2024 - 2025 Membership

Hollywood Chamber of Commerce brings together local businesses and community groups.

The benefits of membership are:

- advertising space on Hollywood Chamber website
- promotions or special events featured on social media
- reduced fees for training courses
- opportunity to participate in local events
- networking with other businesses in Hollywood
- invitations to information sessions
- opportunities to support charity events
- participation in Christmas promotions
- receive information about what is happening in the district from Councils and other organisations
- free hire of gazebo

The annual membership payment amount will be confirmed at the AGM and members will be notified following the meeting.

At present we are trying to support local businesses by promoting Hollywood via social media so if you have anything you want to shout about – promotions, special offers, need staff, different opening hours etc please let us know and we will circulate the information to our growing readership.

Also we can support each other by sharing information or coming up with ideas so please email info@hollywoodchamber.com and let us know your thoughts.

Why Join?

Vision Statement

Hollywood is a successful, vibrant small town. Chamber of Commerce is to become the catalyst for a prosperous business community by providing the right level of leadership, networking opportunities, support and influence to facilitate successful business partnerships at all levels.

Why join?

1. Contribute positively to your local business community;
2. Enjoy regular meetings with other members to build relationships with like-minded business people, sharing knowledge and expertise at both social & business networking events;
3. Benefit from our strong chamber website and engaging social media platforms which will showcase your business;
4. Opportunities of business referrals;
5. Quarterly meetings with the four other Borough Chambers (Bangor, Newtownards, Comber & Donaghadee), exchanging ideas & networking opportunities;
6. Avail of either free or subsidised training programmes, business information seminars & workshops organised by Holywood Chamber;
7. Express your opinions & voice any issues through Holywood Chamber, who meet with local council officers, management and MLA's on a regular basis.
8. Keep up to date with all local events & activities and business news including information on available business grants;
9. Influence major decisions on planning and future developments of the town with a Chamber presence on the Holywood Town Advisory Board;
10. Get involved with new & exciting projects such as the Holywood Town Virtual Tour – an exciting business opportunity.

There are so many more reasons why joining the Holywood Chamber of Commerce is the right decision for your business. We value all our members and are always seeking new business owners to join us and make our organisation bigger and better.

About Us

About Us

Hollywood Chamber of Commerce has a long standing presence over many years with the local business community. We represent businesses of all sizes and in all sectors within Hollywood and the surrounding areas. Hollywood Chamber aims to promote the business interests of the town and with the support of our members, improve already vibrant & successful businesses in Hollywood.

What do we do?

Hollywood Chamber of Commerce offers businesses a range of excellent opportunities to partake in networking events, avail of promotional initiatives to bolster business, benefit from free or affordable training programmes, engage with councillors of Ards & North Down Borough Council, collaborate with other local Chamber of Commerce and have a say on future developments in the area. Any business based in Hollywood, irrespective of size or business type, can request to become a Member.

Our Chamber is managed by a Board of ten local business men & women dedicated to enhancing business success and helping members to establish stronger relationships with the Hollywood business community

Mission Statement

The Chamber is also responsible for assisting with the promotion of Hollywood as a business and tourist location along with promoting the business interests of our members. By understanding the needs and challenges of our members we will work closely with relevant stakeholders to ensure their opinions are heard and taken into consideration. With a vibrant community in Hollywood, which is supportive of the business environment, the Chamber will also get involved in and support local community activities and events. for your business. We value all our members and are always seeking new business owners to join us and make our organisation bigger and better.
